

## **Integrative Health Coaching Agreement**

### **Procedure**

Our work will start \_\_\_\_\_. I will send you an email with available dates/times for our sessions. Please plan on two sessions a month for 45 minutes each. The first session may run up to an hour, because we will be exploring lots of information at first. If you need to reschedule any session, please let me know 24 hours in advance. I ask for a commitment of three months. After that time, we will re-evaluate your progress and our work together and make any further agreements.

### **Preparation**

After our initial session, I ask that you come to the coaching sessions prepared with an idea of what you want to achieve in each session. To help you with this, please take time to fill-out the Coaching Session Prep Form. If possible, it would be helpful for you to email me this form 24 hours in advance of our sessions, excluding the first session.

### **Expectations**

The key to an effective coaching partnership is communication. Please be honest with yourself and me throughout the coaching process. You can expect me to be straightforward, constructive and confidential. You can say anything to me positive or negative; this includes letting me know if something makes you uncomfortable or if you don't want to respond to a question. Please let me know at any time if you have concerns that we haven't addressed.

### **Confidentiality**

I recognize that in the course of our work, you may give me the following: future plans, health information, goals, personal information, and other proprietary information. I will not at any time, either directly or indirectly, use any information for my own personal benefit, disclose, or communicate in any manner and information to any third party. I will not divulge that you and I are in a coaching relationship without your permission. I will hold everything that we say and do confidential unless you present a physical danger to yourself or others. In this case, I will inform legal authorities so that protective measures can be taken. In addition, you should know that unlike a physician or a lawyer our confidentiality agreement is not protected by law. Should it ever happen, I cannot claim in court to be unable to divulge the contents of our conversations.

### **Nature of the relationship**

You are aware that the coaching relationship is in no way to be construed as psychological counseling or psychotherapy. In the event that you feel the need for professional counseling or therapy, it is your responsibility to seek a licensed professional. Coaching results are not guaranteed. You enter into coaching with the understanding that you are responsible for creating your own results.
